Matcha je fino mljeveni prah napravljen od mladih listića zelenog čaja u Japanu, a prepoznat je diljem svijeta zbog svojih blagodati i povoljnog učinka na organizam. Matcha by Materia odlikuje se vrhunskom kvalitetom, bogatom zelenom bojom i posebnim umami okusom. Sadrži prirodni kofein koji se postupno oslobađa tijekom dana, pružajući stabilniju i dugotrajnu energiju. Bogata je antioksidansima, vitaminima i mineralima, poboljšava fokus i koncentraciju, ubrzava metabolizam, štiti srce i pomlađuje iznutra i izvana. Iako je prisutna od davnina, matcha je savršeni napitak novog doba.

Experience magical moments of Japanese afternoon tea ceremony.

Indulge in the art déco atmosphere of the Esplanade Bar or the iconic Oleander Terrace and taste a selection of fine small snacks full of nutrients that contain no lactose, gluten, foods of animal origin or refined sugars*.

An enticing selection of handmade healthy snacks and desserts is prepared from carefully selected ingredients and served on tea stand with one of the healthiest drinks in the world – matcha.

Matcha is a finely ground powder made in Japan from young green tea leaves, and is recognised around the world for its benefits and beneficial effects on the body. Matcha by Materia is known for its premium quality, lush green colour and a special umami taste. It contains natural caffeine that is gradually released throughout the day, providing more stable and long-lasting energy. It is rich in antioxidants, vitamins and minerals, it enhances focus and concentration, speeds up metabolism, protects the heart and rejuvenates both inside and out. Although known since ancient times, matcha is a perfect drink of the new age.
